Our Church Family

Please remember the following in your prayers:

Deb Barnes' mother, Dixie Smith, who is recovering from COVID as she also battles cancer.

JoAnn Barnes has lost the sight in her left eye and is hoping to save sight in her right one. Jo has been diagnosed with neurosarcoidosis and pulmonary sarcoidosis. Please pray for all the medical personnel working with Jo as they determine how best to treat her and pray that the family will feel God's loving presence in a hopeful way.

*If you go to Deb Barnes' Facebook page, a friend of the family has established a GoFund me page to help the family with finances during this very challenging time.

JoAnn also asks for prayers for Pam Davis who is dealing with cancer.

Dave Beadle, Mary Beth Ripple's brother-in-law, who is recovering from open heart surgery. Please pray as well for Trish and everyone who is concerned for Dave.

Cheryl Bedwell's great-grandson, Kenzo, was born ten weeks early. Kenzo is doing well, but it is still a stressful time as he remains in the hospital. Please pray also for Kenzo's mom, Wilson, his siblings, Brady & Maddie, and the rest of their family.

Kim Faught's cousin Donya and her husband Mike Bengert. Donya's father, Joe Wise, recently died, followed by Mike's mother.

Kim's cousin, Joy Faught, has been diagnosed with cancer.

Marilyn Fisher who is recovering from shingles.

Shannon Giles asks for prayers for:

Coby Markwell, the adult son of someone dear to Shannon. Coby has end stage liver disease; please pray for him and all who care for him as they wait to hear about a transplant.

Shannon's co-worker, Jackie Sullivan, who recently lost her mother after a long battle with cancer.

The children of Jake, Shannon's sister Rachel's boyfriend; the kids lost their mom, Shelley, when she was hiking and a tree snapped and hit her in the abdomen.

Kimi, Shannon's friend in Oregon, whose dad had heart surgery and then suffered a stroke while in recovery.

Priscilla Hammons asks for prayer as she experiences a difficult time physically and emotionally.

Andrea Todd's great-niece and family, Elizabeth & Christopher Haselhorst, whose infant son, Christopher, has been diagnosed with failure-to-thrive.

Sue & Mike Higer, Ray Ripple's sister & brother-in-law, as Mike has been diagnosed with pancreatic cancer.

Leah Jones as she recovers from breast cancer surgery. Leah is the daughter of Larry & Linda Jones.

Please report items for Our Church Family to the church office and to Rev. Zelensky

Due to Patient Privacy Laws, hospitals are no longer able to contact pastors if a church member is admitted for treatment. If you or a loved one is in the hospital, please call the church office or Rev. Rebecca.
Anne Laferriere had hip replacement surgery on Monday, October 18. Anne is staying in Plainfield for several weeks as she recovers.

Longtime CCC friend Mary Beth Seaward as she grieves the loss of her father and recovers from COVID-19.

Roger Schultz has been diagnosed with cancer, and while the prognosis is good, of course Roger and Lois would like CCC members and friends to keep them in prayer. In particular, please pray for discernment as Roger makes decisions regarding what the best treatment plan is for right now.

Roger Schultz's daughter, Shelly, who had a heart attack recently followed by surgery. Please pray for Roger, Shelly, and all of their family to feel God's presence close to them.

Linda Snider as she recovers from surgery to repair two tears in her meniscus.

Lori Ugo as she works with her doctor to alleviate sciatic nerve pain.

We extend our deepest sympathies to the family & friends of Martin Plascak who died on Oct. 30.

We extend our deepest sympathies to Freddie & Don Kramer & family at the recent death of their daughter, Lori. Freddie has been a dear friend and colleague of Betsy Hine's for a long time and the Kramer's have attended CCC's Jonah Fish Fry for many years. Lori has been battling cancer for several years, but her death was the result of an automobile accident.

We extend our deepest sympathies to the family and friends of Steve Martin, a childhood friend of Shannon Giles.

The Bethel Christian Church, Indianapolis, whose building was severely vandalized recently to the point of being uninhabitable for a time. The motivation of this senseless attack on this Korean Disciples congregation is unknown, but our siblings in Christ are experiencing a loss of their sense of security and peace, in addition to dealing with their building’s physical damage.

On behalf of Central Christian, Terre Haute, Rev. Zelensky sent an email to the Bethel CC pastor, letting him know that our congregation has lifted their faith community in prayer. His response is below:

Dear Rev. Zelensky,

Bethel and I appreciate your support and solidarity. Yes, we are shocked and frightened because of this senseless incident. Yet, we are thankful that we are not alone amid hardships. Your prayers and concerns truly give us strength. We will move forward from here. Please hold us in prayer for restoration.

We will keep you updated through the regional office Thank you again!

Sincerely,

Baek Hee Kim

Bethel Christian Church (DOC), Indianapolis, IN

“God calls Central Christian Church to be a welcoming and open faith community where Christian love, action, and discipleship unite.”

Vision Statement of Central Christian Church (DOC), Terre Haute, IN
On Monday, November 1 at 7 p.m., we will have a Service of Remembrance in the style of Taize prayer in Central's sanctuary. The purpose of this service is to acknowledge the various kinds of loss we have experienced as a result of the pandemic and to hold these losses— and each other—in sacred space. We encourage all worshipers to bring a framed photo or some kind of memento with you that represents a person and/or thing that you lost because of COVID-19.

We receive many prayer requests at Central Christian. Our church members and friends clearly recognize and appreciate the power prayer has in our lives and in the lives of others, and it is wonderful that folks who are part of our faith community want the best for people we know as well as people we may not know.

Not everyone, however, wants certain things to be shared, and we must respect their wishes. In addition, well-intentioned individuals often miscommunicate details/information that is then shared with the congregation.

If a church member would like to be added to the prayer list, PLEASE have them contact Rev. Zelensky directly at 812-234-0914 or revzelensky@frontier.com. Of course, if the situation is an emergency, you may contact her on behalf of those involved.

CCC Social Justice will be collecting hygiene products throughout the year.

These include such items as shampoo, toothpaste, body wash, combs, deodorants, feminine hygiene products, etc. in sizes that are easy to carry (ex. trial/travel size).

These items will be handed out to the homeless – or others in need – at various times during the year. A basket will be available at the back of church to place these items in.

We encourage all worshipers to bring a framed photo or some kind of memento with you that represents a person and/or thing that you lost because of COVID-19.
To fulfill one of the requirements for ordination, in addition to her second year of supervised ministry with CCC, Mary Beth Mullen is also working with DisciplesNet, a completely online Disciples of Christ faith community. You are invited to go to the web site www.disciplesnet.org and check out some of the things they offer as a virtual congregation!
OUTREACH FOR THE UPCOMING HOLIDAYS

The OUTREACH team is excited to announce that we will be collecting food items for food baskets for the upcoming holiday season (Thanksgiving and Christmas). We would like to provide four (4) food baskets for families who are in need. Our goal is to provide everything needed to prepare a holiday meal. A list of needed items will be posted at the church and online. A holiday recipe booklet will be provided with each basket. Items collected can be left at the church. If desired, you may make a monetary contribution and note on your check that it’s for the “Holiday Food Baskets.” Monetary donations will be used to purchase perishable or additional items that may be needed, such as candy filled Christmas stockings for the children. All items need to be at the church by Thursday, November 18th. Thank you in advance for your generosity and assistance.

If you have a need or are aware of a church family or others that might need a basket, please let Joyce Swoveland know. You can email me at cokelady15@hotmail.com or via phone or text at 812-201-1549.

In addition to the food baskets, we will once again set up an “Angel Tree.” As you might remember from the past, you may select an “Angel Tag” (or more if you so desire), from the Angel Tree and purchase the items listed on that tag for that child. The tags will denote the child’s gender, age, clothing/shoe size, and a toy or gift that the child desires. You will then purchase items for that child, wrap the gift(s) and attach the “Angel Gift Tag” with the child’s information on it to your gift and return it to the church. More information on this will follow in December...
Orders with payments can be placed in the offering plate during Sunday Worship, mailed, or dropped off in the Church Office during regular office hours.

Rebecca’s Revelation

Grace and peace to you in the name of Jesus Christ! Oh, I love this time of year. I enjoy both the sunny and the cloudy days of fall, the changing of the leaves on the trees, and the Halloween decorations I see on my drive to and from the church. I also enjoy the various traditions we have at Central Christian that have become a big part of my life.

I am grateful that as a faith community we have particular ways of giving thanks on All Saints Sunday for loved ones who have died. I’m so glad we remember our veterans every November. Of course, I get a big kick out of sharing our Festival of the Onion a few weeks before the start of Advent. And, I appreciate the time and thoughtfulness that goes into our members and friends making pledges for the coming year and for those who create our Operating Budget.

Although I grew up in the church, I didn’t hear or learn anything about pledging or giving financially as a spiritual practice until I was an adult. Even as a seminarian – who received an excellent education – I didn’t learn much about “Faith & Giving” from a biblical perspective. It wasn’t until I was serving my first full time pastorate and was invited to participate with other clergy in an intentional study and discussion on stewardship that I “got it.” And how blessed I have been to have dedicated and faithful lay members of the congregations I have served who have taught me so much about tithing and giving.

Over the (almost) 30 years Jeff and I have been married, we have always had a budget for our expenses and plans for how we would accomplish certain things financially: everything from paying off student loans to buying our first home to paying for adoption costs. Through all of it, we always made sure that we looked at how much a tithe – 10% of our giving - would be and then budgeted everything else from there. Some years we were a little under 10%, some we were right at 10%, and still others we were over 10%.

I give financially to the church for many reasons, one of which is that the practice of pledging and following through with my giving reminds me that all of my life is to reflect that I am a disciple of Jesus and I am to imitate the ways of our God, who is extravagantly generous to us.

What about you? What do you love about Central Christian? Why do you feel called to give financially and in many other ways?

In all our giving, may we draw closer to our gracious God and grow in our dedication together in what God calls our faith community to be and do in the world.

Rev. Rebecca Zelensky
The Thanksgiving Offering benefits the Colleges, Universities, Seminaries, and Divinity Houses affiliated with the Christian Church (Disciples of Christ).

Higher education has been an important focus for Disciples since the very beginning of the movement. Throughout our history, Disciples have founded institutions of higher learning to educate students and form leaders to make a difference in the world. The Christian Church (Disciples of Christ) is still committed to higher education. Your gift to the Thanksgiving Offering helps support the education of thousands of students at our fifteen colleges and universities as well as our seven seminaries and divinity houses.

The Colleges and Universities of the Christian Church provide quality education through classes offered by some of the nation’s top undergraduate and graduate faculty. Many of the campuses are comprised of state-of-the-art facilities, offer diverse degree programs, include dynamic student life activities, offer exciting athletics programs, and much more. The Thanksgiving Offering supports everything from scholarships, to religious life offices, to faculty growth and development. By giving to the Thanksgiving Offering you are helping our institutions invest in students as they prepare themselves to become leaders.

The Thanksgiving Offering also provides scholarship and support for our theological education institutions. Each of our seminaries and divinity houses is committed to educating and forming Christian leaders for church and society. Generations of pastors, community leaders, and agents of social transformation have been educated at our theological institutions. They have flourished and made a difference in the world, thanks to gifts from Disciples congregations and individuals throughout the ages. These institutions continue to prepare leaders for the present age and the age to come.

As we continue to struggle with effects of the COVID-19 pandemic, our higher education institutions are facing unprecedented challenges and they need our support now, more than ever. Even as they work diligently to ensure safe and healthy learning environments, the financial realities faced by many of our schools add additional stress to students, faculty, and staff.

Support for Disciples Mission Fund and gifts to the Thanksgiving Offering are a critical part of the ongoing collaborative work of church and higher education that is such a foundational part of the heritage of the Christian Church (Disciples of Christ).

Central Christian, Terre Haute, will dedicate our gifts to the Thanksgiving Offering on Sunday, November 21 during worship. Please give generously to this offering. Your gift makes a difference in the lives of our students and it makes a difference in the world.

Please consider proportional giving (see opposite side)—calculating the percentage of your income that you hope to give and entering that amount in the space below. Also, please indicate if you are tithing (giving 10% or more of your income). All estimates of giving are held in confidence.

I/We estimate the following giving in 2022 for the Operating Budget: $___________ per week / month / year (circle one)

Our Elders and Senior Minister are always concerned for the spiritual well being of all who consider Central Christian Church (DOC) their church home. With this in mind, please indicate below if there is something the elders/Rev. Zelensky can do for you as we continue to serve Christ through mission and ministry:

Mat Makers

All church members and friends are invited to stop by and see what the Mat Makers are doing any Saturday morning from 9:00 a.m. to 12 p.m. There are a variety of “jobs” that individuals can do, everything from crocheting to cutting plastic bags (some can even teach you how to crochet if you are willing to learn!). This has become a very important ministry of CCC that has touched many lives and allows for much connection and evangelizing. Please help us keep this group alive, well and growing.
