

Graduate Recognition

One of the most exciting times in life is celebrating graduation. We certainly enjoy recognizing our graduates, whether from kindergarten, high school, or college.

Please submit your graduate's name, parents' and/or grandparents' names, school, type of degree, and future plans.

This information may be emailed to Carolyn Pickel, Education Chair, at mmdisney70@hotmail.com or may be handed to her at church.

Information needs to be received by June 1st, as graduates will be honored during service on **June 7th**.
